BUSINESS

Company Overview:

Our Company is the flagship company of the Piramal Group, one of the leading conglomerates in India. Our Company is a non-deposit taking, RBI registered systemically important NBFC, engaged in providing wholesale and retail lending. Our retail lending business is primarily conducted through our wholly owned subsidiary, Piramal Capital and Housing Finance Company Limited (“**PCHF**”), a housing finance company registered with the National Housing Bank (“**NHB**”).

Our Company was incorporated on April 26, 1947 under the name ‘Indian Schering Limited’. We first entered the pharmaceuticals industry in 1988, following our acquisition of Nicholas Laboratories India Limited. Over the years, we have conducted a series of mergers and acquisitions, joint ventures, strategic alliances and various organic initiatives, including entering into the financial

services and healthcare insights and analytics space. Until April 1, 2022, our Company was engaged in the business of (i) manufacturing pharmaceutical products and providing a diversified pool of pharmaceutical services through Piramal Pharma Limited (“PPL”); and (ii) providing financial services through our subsidiaries, PCHFL and PHL Fininvest Private Limited (“PFPL”). With an aim to segregate the businesses of the Piramal Group, our Company entered into a scheme of arrangement with, *inter alia*, PPL and PFPL, which was approved by the NCLT by way of its order dated August 12, 2022 (the “Scheme”). Pursuant to the Scheme, the pharmaceutical business was demerged from our Company, and our wholly owned subsidiary PHL Fininvest Private Limited (a registered NBFC) was amalgamated into our Company.

Product/ Service Offering:

Our retail lending business currently has four types of products, which are (i) home loans; (ii) secured MSME loans; (iii) other secured loans; and (iv) unsecured loans (including microfinance loans). We are evaluating potential products and opportunities, and aim to add new products to our retail lending business. We aim to create a loan book with a strong focus on retail products, as our retail lending business provides product diversification and also reduces customer concentration risk. We also offer wholesale lending to real estate developers, corporates and SMEs across sectors.

Geographies Served:

As of June 30, 2023, we have 424 conventional branches, including 136 microfinance branches across 25 states and union territories across India.

Client Profile or Industries served:

Our retail lending business primarily focusses on self-employed individuals and MSMEs. Our wholesale lending business focuses on companies engaged in the real estate sector and certain other sectors such as NBFC/NBFC-FI, healthcare, infrastructure, renewable energy, hospitality, logistics, and auto components. For our real estate customers, we provide financing solutions such as early stage financing, structured debt, senior/ junior secured debt, construction finance and flexible lease rental discounting. Other than the real estate sector, our wholesale lending business primarily focuses on cash backed, small ticket size construction finance clients as well as corporate and mid-market lending. For our wholesale lending business, we have introduced a new strategy ‘Wholesale 2.0’ recently, for loans sanctioned under corporate mid-market loans and real estate financing (“**Wholesale 2.0**”). We have recently also commenced Small Developer Finance (“**SDF**”) for lending to mid-market and affordable housing projects in low penetrated markets of Tier 1 outskirts and Tier 2/3 cities

Intellectual Property:

We conduct our business mainly under the “Piramal” brand names and the “Piramal” logo . We have entered into a license agreement with Piramal Corporate Services Private Limited for use of the logo for our business, pursuant to which we are permitted to use the logo and brand name until March 31, 2026. For further details, see “*Risk Factors – We do not own the trademark and the logo associated with “Piramal” brand name. Consequently, our ability to use the trademark, name and logo may be impaired*”. 1. Minimum Subscription

In terms of the SEBI NCS Regulations for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue size i.e. ₹ 150 crores. If our Company does not receive the minimum subscription of 75% of the Base Issue size, prior to the Issue Closing Date, the entire Application Amount shall be unblocked in the ASBA Accounts of the Applicants within eight Working Days from the Tranche I Issue Closing Date. In the event there is delay in unblocking of funds/refunds, our Company shall be liable to repay the money, with interest at the rate of 15% per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. Our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

2. Right to Recall or Redeem prior to Maturity

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buy-back the NCDs from the open market or otherwise, upon such terms and conditions as may be decided by our Company. Such buy-back of the NCDs may be at par or at discount / premium to the face value at the sole discretion of the Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine,

subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, held, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Where the Company has repurchased any such NCDs, if permissible under and subject to the provisions of the Companies Act, 2013, rules and regulations thereunder and other Applicable Law as may be amended from time to time, the Company shall have and shall be deemed always to have had the right to keep such NCDs alive for the purpose of reissue and in exercising such right, the Company shall have and shall be deemed always to have had the power to reissue such NCDs, either by reissuing the same or by issuing other debentures in their place, in either case, at such a price and on such terms and conditions (including any variations, dropping of or additions to any terms and conditions originally stipulated) as the Company may deem fit.

3. Security

All obligations of the Company under the Transaction Documents including the Secured Obligations shall be secured by way of a first ranking pari passu charge by way of hypothecation of Hypothecated Property, with the Required Security Cover, created in favour of the Debenture Trustee, as specifically set out in and fully described in the Debenture Trust Deed and/or the Deed of Hypothecation. The security is estimated to be created prior to filing of the application for the listing of the NCDs with the Stock Exchanges.

Further, NCDs shall be considered as secured only if the charged asset is registered with sub-registrar, RoC, Central Registry of Securitisation Asset Reconstruction and Security Interest (“CERSAI”), Depository etc., as applicable, and is independently verifiable by the Debenture Trustee.

Pursuant to the SEBI Master Circular for Debenture Trustees,, our Company has entered into the Debenture Trustee Agreement with the Debenture Trustee and proposes to complete the execution of the Debenture Trust Deed before making the application for listing of the NCDs for the benefit of the NCD Holders, the terms of which shall govern the appointment of the Debenture Trustee and the issue of the NCDs.

Under the terms of the Debenture Trust Deed, our Company will covenant with the Debenture Trustee that it will pay the NCD Holders, the principal amount on the NCDs on the relevant Redemption Date and also that it will pay the interest due on NCDs (inclusive of penal interest, where applicable) on the rate specified in the Tranche I Prospectus.

The Debenture Trust Deed will also provide that, so long as the Security Cover Ratio is maintained at or above the Required Security Cover at all times and no Security Enforcement Event has occurred and is continuing, our Company may withdraw any portion of the Hypothecated Property and replace with another Movable Asset of the equal or greater value as Security to which the Company has a good, clear and marketable title, ensuring the Required Security Cover is maintained till the Final Settlement Date in accordance with the terms of the Transaction Documents..

Without prejudice to the aforesaid, in the event our Company fails to execute the Debenture Trust Deed within the period specified in Regulation 18 of the SEBI NCS Regulations or such other time frame as may be stipulated from time-to-time, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders, over and above the interest rate on the NCDs specified in the Tranche I Prospectus, till the execution of the Debenture Trust Deed and in accordance with the applicable laws.

For further details refer to the section titled “*Terms of Issue*” on page 83 of the Tranche I Prospectus.
